Pimpri Chinchwad Education Trust's

Pimpri Chinchwad College of Engineering

Rubrics of Evaluation of Distributed Computing Systems (FA2)

Department: IT **Academic Year:** 2026 - 2027 **Semester: I**
Subject: DCS (BIT27PC03) **FA-2** **Date: 10/10/26**
Year and Class: Final Year B. Tech

Activity title: *Case study-based presentation*
Group: 4 students
Assessment: 10 marks

Activity: prepare a presentation on following topics:

1. University File-Sharing System Using NFS
2. E-Commerce Website Performance Using Web Server Clusters
3. DNS-Based Naming System for a University
4. Distributed File Storage for a University Using HDFS
5. E-Learning Platform Using Web Proxy Caching
6. Preventing Double Booking in a Railway Reservation System
7. Reliable Online Payment Processing During Network Failures
8. Distributed Banking System with Data Replication
9. Fault-Tolerant Hospital Patient Record System
10. Consistency in an E-Commerce Inventory System

Parameters for Assessment	Marks	Excellent	Good	Average	Poor
		5 Marks	**4-3 Marks**	**2 -1 Marks**	**0 Marks**
Presentation	5	Presents the case study clearly, confidently, and logically. Explains the real-world problem and proposed solution effectively, uses appropriate visual aids, and demonstrates good organization and time management.	Presents the case study clearly with minor gaps in explanation. Uses appropriate visual aids but may lack some clarity, confidence, or detail.	Presentation lacks clarity and logical flow. Explanations are incomplete, and visual aids are used ineffectively.	Unable to explain the case study effectively. Presentation lacks structure and relevant content.
Conceptual Knowledge	03	**3 Marks**	**2-1 Marks**	**0 Mark**	
		Technically effective, applies concepts and terms accurately.	Mostly effective, might have small errors in understanding or	Technical content is not effective, concepts and terms do not demonstrate understanding	

			applying terms and concepts	
Question and Answers	02	**2 Marks**	**1 Marks**	**0 Marks**
		Technically correct and confident answers, Crisp to-the-point answers	Few of the answers are technically correct but confidence is not good, answers not to-the-point	Students did not answer any questions, shows no understanding of topic and low confidence.
